2021 Membership Promotion Event

The in-person membership promotion event was held on September 2nd at Monday Night Brewing. Despite lower-than-normal attendance (17 attendees) due to COVID, the event was very successful and with 4 new members joining ASHRAE as a result. Not only was it a successful event for gaining new members, but existing members also got in on the fun to promote ASHRAE. Special thanks to Nick Iannuzzi (pictured in the membership promotion sombrero) for coordinating the event.
